

Mp3 Galt Macdermot - Up From The Basement - Unreleased Tracks - Volumes 1 & 2

[DOWNLOAD HERE](#)

A smart and sassy compilation of instrumental funk tracks 24 MP3 Songs URBAN/R&B: Funk Details:
This is the sophisticated vision of one of America's most distinguished composers, recorded during the high-water mark of the funk movement. These are tracks that, although never before released in any form, will join the ranks of "Space" and "Coffee Cold" as some of the funkier material Galt has ever recorded.
