Melodic rock with swirling harmonies, dynamic rhythms, and a touch of electronics. 8 MP3 Songs ROCK: Modern Rock Details: Welcome to the world of greytone, a Boston-based melodic rock band whose songs are built on various layers of sound and rhythm while being interwoven by swirling melodies and vibrant harmonies. In Fall 2003, the band released their self-titled debut EP on their own label, Argonaut Records. This collection demonstrates the songwriting talent and dynamic melodic approach the band takes while showcasing their individual approach to instrumentation and harmony. They are strong performers in the Northeast and are currently booking shows along the east coast.
