Radiohead plus Prince divided by the Beatles 12 MP3 Songs POP: Beatles-pop, ROCK: Progressive Rock Details: A musician among musicians, Indigo-Son, represents everything that has ever been right about pop music. Intelligent, thoughtful, genuine lyrics accompanied by accessible, infectious, melody lines are the common fare from him. An award winning classical piano prodigy at age 6, he has proved his love of music is only matched by his skill and technique. In the tradition of Stevie Wonder, Paul McCartney, David Bowie and Prince, Indigo-Son is a one man band in the recording studio. Writing, producing, playing all instruments and singing all back up vocals, his music conveys a focus that can only result from a true composer. Still only in his Mid-20's he seems destined to take over the world with his new release Elementality. An 11 track journal straight from the mind of a 21st century philosopher, artist, and prophet.
