Traditional Country 21 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Blues Details: JANAY JAMES If S-U-C-C-E-S-S spells success, then Janay James is just that! We at Greenback Records have searched far and wide for such a talent. One day while this special lady was working for FED-EX, she brought a package addressed to the GM Sound Recording Studios, Gladewater, Texas, and made the remark that she'd always wanted to sing in a studio. Our engineer, Johnny Mills, was on break at the time, so he said, "Honey, just step into the booth and start singing." She did and believe us, right there we heard a singing voice that seemingly sang with no effort, one like we'd never heard before in country music. We invited Janay back to record. So here she is on this compact disc for all the world to listen to - a talent beyond talent. Meet Ms. Janay James as she debuts her first album with us! Greenback Records
