Contemporary Christian 12 MP3 Songs GOSPEL: Contemporary Gospel, COUNTRY: Country Pop  
Details: Towards the end of 1998, a group of Christian musicians on Long Island, who played together over the years in their church, felt led to join forces and take a brand-new Christian music ministry on the road. Since February of 1999, JGnFriends has been playing frequently at coffeehouses, churches, and other locales in the New York area, and their group is much in demand. Joe Guadagno, (lead vocalist, songwriter) is also a frequent soloist and long-time Worship Leader at his home church. On this CD he shares some of his beautiful original compositions. The selections include Joe's testimony song ("Then And Now"), a child dedication song ("Eyes of A Miracle"), the very-popular "Jonah" (kids love it!), "I Want To Be Like You", "Father Knows Best", "What Are You Waiting For", along with many others; all available here with sample sound clips. Other bandmembers are Joe's wife Victoria on keyboards and background vocals, Alan Bergman on drums and background vocals, and "MC" Contonzo on bass. This CD was professionally and prayerfully recorded at a top studio. Joe's soothing, beautiful voice and his inspired songs, along with the talents of his fellow bandmembers, will touch and soothe your heart, while bringing a smile to your soul. Joe says, "I am especially grateful to God for our music ministry. It is difficult to describe how wonderful it is to lead people in worshipping the Lord in song. It is amazing to watch His Holy Spirit move among His people, as they sing and lift their hands in praise. If it's this great on earth, I can only imagine what it will be like in Heaven when we gather around His throne, bow down before Him and worship our Risen Savior."
