Harpsichord, slide guitar, toy piano, harp, melodica, combine with disco bass lines and funky guitars over vocal harmonies by indie rock queens Marisa Chaves and Dune Nguyen. Keeps you cool in the summer and warm in the winter. 5 MP3 Songs POP: Psychedelic Pop, ROCK: Experimental Rock Details: San Francisco based sextet Leilujh is an exciting new pop group that has received an uncommon amount of interest since coming onto the San Francisco music scene in 2006. Fronted by indie rock queens Marisa Chaves and Dune Nguyen, Leilujh blends heartache-inducing vocals over dreamy guitars and hip-hop beats to create a unique psychedelic pop sound. Songs range from Gainsbourg-esq melodies to electronica to almost grunge, and have been compared to Radiohead, Stereolab, and Saint Etienne. Catch them as they battle their way to achieving their self-professed goal of playing at The Fillmore.
