Details: My music is a vibrant and inspiring creation at the moment of the performance. What guides my imagination? The sensations my body feels and senses from the sounds, and how energy travels through my body, creating sensations and movements that express themselves in sounds. My acausal mind talks through my body, intuitively. There is no linear road; it is just a vibration at the present moment. I feel that I am complete and reaching the Source of the Universe, the Creative Source, my inner God and Master. I don't create since Something is the creator. It is not something that I plan how to do. I have intention, and Something manifests. I am an instrument who delivers this experience for you. I invite you to listen, sense, and feel this experience with me: how to connect to the Omnipresent Source and be able to create ourselves. CD Metamorphosis is a journey of spiritual growth. It is transformational music.

Kumquat is like childhood; initially nice and easy, gradually we discover the sour world inside and outside us. Prophetic Bird represents everything we meet that guides us in our spiritual journey, announcing roads to the sky. Catharsis is the release of our inner enemies. Metamorphosis starts, then. Catalyst narrates all elements we gather to transform ourselves, but maintaining our soul's integrity. Naive: those moments of living in the present, no judgment, no social rules, no cultural limits, just being, as a single flower in a garden. Lament for yourself, for others, for this planet; compassionate love. Kohl is the turning point; that moment of choice that creates our life: vanity, or the awakening of your third eye, the Consciousness of Christ? Indolent: moments of rest between brave fights. Rebirth begins. The process is the arrival point. The real journey, then, begins! We feel complete, connected with the silence of the

Source! Maria Alice, from Brazil, is a classical pianist who frequently plays in Europe, South America and United States. Professor of Piano at the University of Rio de Janeiro (Brazil), Maria Alice is graduating with a Doctor of Musical Arts in Piano Performance from UCLA. Her compositions are improvisations that flow with the rhythmic movement of the Universe. With an international flavor, her music combines classical music, - minimalism, expressionism, impressionism, Ligeti's fractal music - jazz, and the sacred flow of eastern music. Her music is an intuitive and wholesome creation.
