**Details:** Here's what they say about Me..... "Maureen Washington adds power under great control to each piece. She can belt out with the best of them, and then tone down to a sultry, smoky, intimate, ear-stroking kind of sweetness unlike any other singer in British Columbia." Maureen Washington has a rich and powerful voice

Broek Bosma Artistic Director Prince George Conservatory of Music Now from a more personal perspective..... I'm a singer songwriter, voice teacher and somewhere in there I am the mother of five children! Sleep is definitely over-rated... I figure I'll sleep later in life. I have been singing all my life, and find that this is my passion to express everything from joy to sorrow to anger to confusion. Music is a powerful way to express where words seem to fail. I have released three solo CDs

Beyond the Veil 2003 Recorded by Martin Robert Fly Away Be At Rest 2004 Recorded live, most of the songs are spontaneous...This is a great meditative album. BOP A mixture of Latin, Jazz, Blues This EP of original music was released Nov. 5, 2005 Baby Its Cold Outside Solo Christmas album released Dec 1, 2005
