Carefully crafted pop with an r&b/urban edge, guided by a soulful and passionate voice, delivering thoughtful, straight forward lyrics of love. 11 MP3 Songs URBAN/R&B: R&B Pop Crossover, POP: 80's Pop Details: Carefully crafted pop with an r&b/urban edge, guided by a soulful and passionate voice, delivering thoughtful, straight forward lyrics of love, and all sewn together with infectious hooks, harmonies and rhythms. This best describes Mr. Shy! Michael Miller (a.k.a. Mr. Shy), formerly lead singer of New Soul Orchestra, will spoil you with 10 strong, richly melodic tracks on his second solo album offering, Super Star, on New Soul Records. Growing up in New York City, his influences were a diverse range, from The Beatles to Marvin Gaye to Prince, and a slew of great artists from the 70's to the present. His own singing, writing and performing over the years has resulted in a mature, distinctive song craft and style of musical expression very much his own. ----- Reviews: -----
"BRILLIANT, UNHERALDED VOICE. Miller's velvety falsetto is wrought with emotional anguish served up on a silver platter." (5 STARS) -- iTunes review "Urban adult contemporary filled with funky hooks and Motown craftiness, 'Super Star' just might live up to its title." -- Smother.net "Michael's caring falsetto will doubtless win you over." -- PopMatters "The airy, natural lilt of singer Michael Miller luminates... Miller is a part of a groove collective that emanates a positive message and spirit... a refreshing alternative..." -- Indie-Music.com .
