"Wow. Like most debut albums, I wouldn't say that every track is incredible, but most of them are. The CD is worth it for 'Walk Away' alone (thanks to RadioAcoustic for playing this tune and bringing this artist to my attention). Original, provoking, and enjoyable. Thank you, Nora." -- JPM, DJ KDHX FM 88.1 "Nora Heffernan is an irresistible new talent who is miles beyond her peers both in songwriting ability and the ability to convey pure emotion in her performance. Her voice is so compelling, her presence so bold, she cannot be ignored" -- Mary Beth Abella, 2005 Lionel Richie Songwriting Scholarship Winner at UCLA

Your lyrics describe your feelings and take the listener into a state of sensuality. Both melody and voice have the power that will make you remember the song and the performance...The colorful acoustic instrumentation give the song a very unusually and original sound. The acoustics stand out from the rest of the instrumentation and are perfectly performed for this song...Your production is first rate. This is a very well performed song with every aspect. You show excellent style and emotion... -- Song of the Year Market Analyst/Critique For "Walk Away" "Walk Away" placed on Artist Launch's most prominent chart of their Top 20 Featured Songs.
