This is Gospel with pumping drum and bass Hip-Hop, Reggae and R&B flavor. Very Urban mix with the word of God being conveyed loud and clear. 15 MP3 Songs HIP HOP/RAP: Spiritual Rap, WORLD: Reggae Details: For generations believers have been keeping silent in worship, staying far from music that they labeled "worldly music" mainly because those type of music were played in night clubs , dance halls, and pop radio. It was regarded "out of character" for Christians to be seen ,dancing ,stomping, clapping their hands and "making noise" in churches, like the night club people, no no. Olution Rev says "It is a new day, Christians can not remain silent, hiding behind the walls of the churches anymore. We have to take the word to the streets, reaching out to young people, drug addicts, the homeless and the hopeless. To do that I use the universal language known to mankind, music." Armed And Dangerous Album reflects just that idea. It is flavored with heavy doses of Hip Hop, R&B and Reggae at the same time conveying messages of praise and prophecy, but no holding back on the drum and bass. Olution Rev who was not a Christian initially, but he found his life changed many years ago, when two women appeared to him in a dream . They said "You are an Apostle, go spread the word of God." Soon after that dream, Olution Rev found the lord and gave his life to Jesus. He has since been spreading the word of God by any means necessary. Born in West Kingston, the same area in Jamaica, that the great Bob Marley, Peter Tosh and a host of other Reggae Dance Hall artists originated. Olution Rev loved music and befriended some great DJs and musicians from his home town. He even did some recordings in 1996. His love for music gave him the inspiration to form his own Music Ministry, "solely" to get the message of Jesus Christ out to all the people he can possibly reach. He contacted producers Junior Gentles and Ruddy Manning to work with him on his debut album "Armed And Dangerous," he was confident they could give him the sound of Hip Hop that he loves, mixed with Reggae and R&B. This

album is a must have.. All songs were written by Olution Rev with the exception of Sermon on the music, which was written by Jr Gentles and Olution Rev. Email Olution Rev at extradollarz@yahoo.com
