

## Mp3 Peter Jones - Skeletons

[DOWNLOAD HERE](#)

A collection of solo piano pieces composed by Peter Jones between 1984 and 2000. The music is structured tightly, yet there is a reflective and somewhat atmospheric quality to the tones. 21 MP3 Songs

CLASSICAL: Contemporary Details: Skeletons is a recording that spans the last sixteen years of of pianist Peter Jones's musical career. These are pieces he has played many times yet never released.

This is also the first official solo piano project that he has released.
