

# Mp3 Rebekah Law - Home At Last

[DOWNLOAD HERE](#)

Uniquely blends the substance and genre of Broadway with the improvisation and flavor of Music Row complemented by a powerful, sultry voice that tackles these sophisticated theatrical pieces with beauty and authority. 11 MP3 Songs EASY LISTENING: Musicals/Broadway, POP: Power Pop Details: "When Rebekah Law sings, the Earth moves. She compels her audience to recount love won, love lost, dreams fulfilled and dreams yet to be. She is a fresh, new and remarkable gift to this genre of music." Jamie Wigginton (International Musician/Instructor - Nashville, TN) "Sophisticated singing at its best! Rebekah Law has one of those rare voices that you can listen to all day. Smooth, sophisticated, and sultry. Her original duet composition is proof of the successful career that lies ahead for this brand new singer." Marty Mitchell (Recording Artist/Ricochet - Nashville, TN) About the Album: Home At Last is a concept album chronicling Rebekah's journeys through love, identity, epiphanies, levity, gravity, peace that are typical of any soul's dedicated search for reconciling their deepest desires with the inevitable realities of life responsibilities of character. Rebekah's original composition "A Life In Love" (co-written with Jamie Wigginton), beautifully manifests this concept of searching for a home while finding one within oneself. By carefully selecting each title, she shares her story through some of the most profound, sophisticated theatrical pieces of our time. Listeners will certainly connect with Rebekah and the substance within her album by relating, emoting, and appreciating her gift of expression and for compelling them to recount the richness of life. The album, which was recorded produced in Nashville, TN, uniquely blends the substance and genre of Broadway with the improvisation and flavor of Music Row. It features some of Nashville's most accomplished talents including musicians from Country recording artists Ricochet, Nashville icon Music Mafia, and Music Row's A-List playing every album from John Mayer to Shania Twain. Noteworthy vocal contributions include the vocal talents of David Osmond on the duet "A Life In

Love" and distinguished artists lending their talents to requisite background vocals. Engineered, mixed, and mastered by within some of the most experienced fixtures in the industry, the album boasts a timeless quality appeal essential to any music-lover's library. This album is certain to capture the industry's attention and become a personal favorite among its listeners.
