For those of you who would enjoy a vacation from the Planet Earth. 8 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Trance Details: PLASTIC LOVES GLOBAL WARMING (2006) American Robert Ziino processes creative outputs with experimental sound worlds of the rather electronic type, which is comparable to the bizarre world David lynch or David Cronenberg. Darkbeat Germany MUSIC FROM THE VALLEY OF FLOWERS (2005) If you've ever heard the solo sides by Nick Mason, Rick Wright, and David Gilmour on the Pink Floyd album UMMAGUMMA, then all you have to do is imagine those peculiar sounds (minus the fluid guitar) in a more modern context and processed through keyboards to get an idea of what this disc sounds like. The One True Dead Angel USA TWILIGHT CLONES (2004) Ziino's Twilight Clones is something like the aural equivalent of a high-resolution, three-dimensional, high-tech video game.
