She sings with a lot of feeling. I enjoyed the CD so much I gave it to a friend who's a promoter to listen to. What a beautiful voice." - Jerry Vale, Singing Legend "I think she's fantastic! Rosie's a wonderful singer who feels the lyrics. The moment I heard the CD I said 'WOW!' She has a very bright future ahead of her." - Kitty Kallen, Singing Legend "What a beautiful, romantic CD. I fell in love with her wonderful voice and lush arrangements." - Tony Martin, Singer and Screen Idol "She's a fantastic singer, a breath of fresh air. She brings new life to the great American songbook." - Jimmy Roselli, Singing Legend "Dating back to the 1930's with the legendary Russ Columbo, Philadelphia has turned out more than its share of outstanding singers. The list includes such luminaries as Jeanette MacDonald, Buddy Greco and Bobby Rydell. Talk about diversity! Now from the city of brotherly (and sisterly) love comes Rosie Carlino, bringing voice, warmth and style to this unique collection of gifted performers." "Rosie fills out a note, moves in and sets up an apartment." - Jim Lowe Legendary NYC Radio Personality "Mr. Green Door" "Her voice is calm and soothing -- a great CD with beautiful arrangements. She reminds me of Rosemary Clooney." - Trish Yodice, Reporter WNBC-TV New York "She's sexy and sultry, a voice that wraps around you like a warm blanket." - Pete Tauriello Reporter for 1010 WINS, NYC "Rosie's wonderful! What a beautiful romantic CD." - George Russell Guitarist and Songwriter "Every once in a while a singer comes along that will just stop you in your tracks. Rosie Carlino has done that for me. She feels the lyrics and delivers them in a way that I haven't heard in a long, long time." - Les Paul, Legendary Guitarist "Her style is soothing and quiet. It puts you in a mellow mood. She reminds me of the successful big band singers who went on to have great solo careers." - Walden Hughes, Promoter Disc Jockey "I've been

lucky in my career to have worked with some of the greats. I couldn't believe what I was hearing. It was the styling of a Peggy Lee, Margaret Whiting or Jo Stafford. Her voice has what we call a low register. I haven't heard a voice this beautiful since my years working with Julie London. Where have you been Rosie Carlino? "It's been years since I bumped into Richie Rome at a recording session. Just listen to his orchestrations. He still has that touch. They are beautiful! Rosie's in good hands; he's top notch. You're looking at and listening to a girl who is well on her way." - Bucky Pizzarelli, Hall of Fame Guitarist "She's terrific, has all the necessary equipment. How nice to hear a new singer who doesn't remind you of another singer! She's an original, and a damn good one." - Julius LaRosa, Legendary Singer "Her CD just makes you want to think of a loved one in a quiet setting reflecting on good times; and you just lose yourself in the way she presents the romantic melody." - Glenn Crespo, Announcer CD 101.9, NYC "Rosie sings the great old standards as if they were written just for her. The Cole Porter, Irving Berlin, Johnny Mercer, Richard Rodgers baton has officially been passed to a new generation." - Bill Owen, Disc Jockey and Announcer WABC, NYC "What a voice, as smooth as silk with orchestrations as plush as velvet. Rosie's CD is perfect for a romantic evening by the fire." - Kathy Millar, Disc Jockey WLTW, Lite FM, NYC "After spinning records and CD's at various radio stations in the New York City and Norfolk, Virginia area, I finally heard a voice that was a much overdue and welcome change from the day-to-day sounds that I've been listening to. It was, in a word, unique. Rosie Carlino is a most welcomed addition to the small cadre of young vocalists who give new life to the music of Mercer, Porter, Berlin and the other giants of Tin Pan Alley, Hollywood and Broadway. Her warm and sultry voice is vaguely reminiscent of Julie London. Indeed, the torch has been passed. So light the candles, pour the wine and enjoy." - Peter Vann, Disc Jockey WVNJ 1160AM and Jukebox Radio NYC "I love Rosie's style and the way she sings. Great CD!" - Frankie Laine, One of the biggest stars of all time "A lovely voice, she has what it takes to be a big star!" - Frank Campana, Record Promoter "I was very impressed with Rosie's CD. She has a very bright future." - Gogi Grant, Pop Singer with the big hit "The Wayward Wind" "Loved her voice. What an outstanding gift she possesses. Great range; she reminds me of Streisand." - Herb Jefferies, a Duke Ellington Vocalist with the monster hit "Flamingo" "There are so many terrific new singers singing the great standards today. Rosie is certainly on of them. Her CD is fantastic!" - Peter Marshall, Long-time popular game show host for Hollywood Squares and radio host for "Music of Your Life" "I haven't heard a

new singer who sounds this great in a long, long time. She immediately reminds me of Julie London, but her voice has much more range. She's a breath of fresh air." - Stumpy Brown, Musician and Leader of the Les Brown Band "My life has been surrounded by music.
