

Mp3 Shoes - Silhouette

[DOWNLOAD HERE](#)

Originally available only in Europe as a vinyl LP, this 1984 release stretches out a bit, incorporating keyboards and varying from the straight ahead guitar-pop style to venture into some different arrangements but still include their trademark melodies. 15 MP3 Songs POP: Power Pop, POP: 80's Pop
Details: Originally released in 1984 in England on Demon Records, in Germany on Line Records and in France on New Rose Records, Silhouette was issued as a 12-song, vinyl LP with 3 slightly different album covers. This CD includes 3 bonus tracks (Pieces Of Glass, A New Sensation and Dormant Love) and showcases the band stretching out with different arrangements and incorporating keyboards combined with their trademark vocal melodies and harmonies. Recorded at the band's own, Short Order Recorder it remained un-released in America until it became available on CD in 1991.
