New school blues with a taste of southern soul 13 MP3 Songs URBAN/R&B: Soul, URBAN/R&B: Southern Soul Details: I am a retired veteran of the United States Navy now residing in Memphis, Tennessee. I have always had a passion for singing and writing short stories. I had three primary inspirations that drew me into singing my mother, my aunt, and my father whom is a minister. Like many soulful singers my roots are based in gospel. My tour of duty in the navy allowed me to visit such places as Hong Kong, Japan and the Phillipines and several other exotic venues displaying my talent as a singer. Upon my discharge from the Navy I continued to labor in my craft writing songs and developing skills. My spiritual background moved me to volunteer my time at the VA hospitals and nursing homes singing to the residents. I have been blessed to travel the world and experience cultures. This has allowed me to meet people and be accepting of others without prejudices.
