Acoustic blend of blues, jazz and country. Formed by the love of different forms of music and a chance happening of finding the right people at the right time Square Roots was born. 11 MP3 Songs FOLK: Folk Pop, COUNTRY: Americana Details: Square Roots was created out of a love for different styles of music, and the chance happening of finding the right mix of individuals to put them together. All having played in various rock bands, and acoustic groups throughout the years, with many of the same people, you might say, Christina, Scott, Kennon, Gary met through six degrees of various musicians. Formed in the fall of 2003 and all having the desire to get back to what made them fall in love with music in the first place, they decided to blend Acoustic guitars, various forms of hand percussion, and three part harmony vocals, to bring to the masses what is now known as Square Roots. Square Roots is rich in Americana based music and the influence is obvious. Blues, bluegrass, rock, pop, and anything else that could possibly bend your ear. Square Roots live show is full of energy, and promises the best musical time you'll ever have. Not a show goes by without a couple of friends showing up to play and add a little flavor, such as trumpets, harmonicas, and other assorted instruments. While doing their original tunes, they throw in some songs of the most influential songwriters of our time. Paying homage to the songs and songwriters who stole their hearts so long ago. Getting back to the Roots of why they started playing in the first place.
