There are a few cover songs on this CD, Steve and Kim's syncopated version of At Last, Steve's version of She Caught the Katy, and Steve and Kim's rendition of Blue Bayou. Also included are Work Out Well, a high energy love-song, Ragtime-a tongue-in-cheek look at the challenges inherent to a man living with a woman, and Back Home, a sentimental homecoming song, all three Steve Vasil original tunes. When all is Said and Done, and the title song, Inside Out, are metaphysical tunes also composed by Steve. Please check Steve's previously released CD, "The Back Twenty" as well as Steve and Kim's previously released CD: "The Ocean". Steve fervently believes that we each create our lives from the inside out-as we take responsibility for and direct our thoughts, we can manifest even more wonderful riches and relationships! Namaste!(The divinity in me salutes and treasures the divinity in you)
