

# Mp3 S.work - The Beats Volume I

[DOWNLOAD HERE](#)

A unique, diverse, sonic, trip-hip-hop experience incorporating original beats and vocal samples 15 MP3 Songs HIP HOP/RAP: Trip Hop, HIP HOP/RAP: Hip Hop Details: A Work of Art Music is proud to release Volume I of the versatile series THE BEATS from producer/songwriter S.Work. Having acquired numerous production skills from his employment at recording studios around the USA including Atlanta, Ga., Sacramento, Ca., and Kansas City, Mo., S.Work crafts a sonic sound that is truly original as well as versatile and diverse. Incorporating vocal samples and original beats S.Work orchestrates and sculps the perfect sound to ride to as well as providing a perfect musical backdrop for that original rap/hip-hop opera or lyrical flow nestled in your creative mind. With topics touching on violence, Put the Guns Down and Fallen Soldiers, others focusing on budheads, Roll It Up and Smelling Like a Pound, tunes highlighting popular ghetto themes such as Spinners, Reach, and Dont Be Scared:, and sonic explosions like U Take Me Out and Serious Business, S.Work displays a social awareness like very few artists. The versatility is astounding. Add a copy of S.Work "" THE BEATS series to your sonic collection. You will be satisfied.
