"Impressive salsa show, Victor Hugo a true Salsa Star" Cultura - London Descargasaid: 'Terrific hard salsa from Cali, Colombia. Victor Hugo is backed by members of Son de Cali , and the band is tight and revved up on high octane with superb Colombian coros. This salsa gem is pure, white fire. Blam! A killer, folks. This DJ Pick is a must-have. Highly recommended' Bruce Polin. 'Exciting Salsa like you have never heard, Victor Hugo simply captures the

whole of Latin America in his unique compositions' Music Maker. Editor's Pick: Victor Hugo keeps churning out the goods. With *Que Pasa*, his third CD as a leader, Victor Hugo proves that he's no fluke. This guy is polished *and* tough. Hugo, backed by other former Grupo Niche members, embraces the entirety of salsa. From the hard-driving up-tempo tracks "Ella" and "Que Pasa" to the unashamedly direct declaration of love "Island Girl" he has matured into a formidable leader who commands respect even when singing softly. I especially like the swanky, swinging "Oye Latino" and the explosive showstopper "Korin Gabe" perfect dance club numbers. Highly Recommended B. P.
