

Mp3 Wormcult - Sin Eater

[DOWNLOAD HERE](#)

This new ep includes remixes of some songs from the album Voodoo Fuck Doll, as well as some b-sides and new material. Also comes with bonus content including a collection of rare mp3s, printable poster files, and a music video as a demo for the new DVD 13 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Industrial Details: Sin Eater- a man who (according to a former practice in England) for a small gratuity ate a piece of bread laid on the chest of a dead person, whereby he was supposed to have taken the sins of the dead person upon himself. This new ep includes remixes of some songs from the album 'Voodoo Fuck Doll', as well as some b-sides and new material. Currently all copies of 'Sin Eater' are out of stock, but if you don't already have a copy of 'Voodoo Fuck Doll' you can check out that store page at cdbaby.com/wormhole That cd is now on sale for \$9.99! You can also enter your email address in the area at the top of this page to receive notification when new copies of 'Sin Eater' become available. The next pressing of this cd may have a simplified scaled down version of the displayed artwork, and less/none/or different bonus content included. This decision is still under debate, but the goal is to cut duplication time and production cost to allow a more accessible, lower, and more fair price for everyone here. .
