Shakespeare In Print

[DOWNLOAD HERE](#)

A comprehensive account of the way in which Shakespeare's texts have been edited and published.Shakespeare in Print is a comprehensive account of Shakespeare publishing and an indispensable research resource. Andrew Murphy sets out the history of the Shakespeare text from the Renaissance through to the twenty-first century, from the twin perspectives of editing and publishing history. Murphy tackles issues of editorial and textual theory in an accessible and engaging manner. He draws on a wide range of archival materials and attends to topics little explored by previous scholars, such as the importance of Scottish and Irish editions in the eighteenth century, the rise of the educational edition and the history and significance of mass-market editions. The extensive appendix is an invaluable reference tool which provides full publishing details of all single-text Shakespeare editions up to 1709 and all collected editions up to 1821. The listing also provides details of a selected range of major editions beyond these dates to the present day. EAN/ISBN : 9780511060366 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Murphy, Andrew
