

The American Boy's Handy Book - Daniel Beard

Long before a "dangerous" book was all the rage there was The American Boy's Handy Book by Daniel Beard, a beloved classic for generations of youngsters. Specially designed to provide loads of ideas for adventures and games both indoors and outdoors during each season of the year, The American Boy's Handy Book was originally published in 1882 and became an instant bestseller. Now, Tuttle Publishing is bringing this much-loved book back for a new generation of boys to enjoy. If you're not too young to fly a kite or too old to enjoy a day fishing, The American Boy's Handy Book is chock full of fun activities intended just for you! There's something for every day of the year: making an aquarium, rigging and sailing small boats, camping without a tent, making a cornstalk fiddle, trapping, building a snow fort, and of course tons of other games and crafts, too. Daniel Beard firmly believed in letting boys make their own playthings, encouraging them to value their own hard work and gain the skills needed throughout life to successfully invent, construct and dream. In this world of instant gratification with ever-younger generations coveting the ubiquitous cell phones, computers and iPods, it seems as though the imagination and sense of adventure that permeated our country's past have all but disappeared. Welcome back the joys of childhood with The American Boy's Handy Book, and prepare to make old favorites new again!
