Details: "Finding Randy Sharp's name among the songwriting credits on an album is always a good sign. It means the artist has reached beyond the usual Nashville sources and formulas for a song that digs a little deeper and sounds a little fresher. Finding this album by Randy Sharp - now that's an invitation to hear a master at work." Michael McCall Country Music Magazine "Listening to the songs on The Connection, it's easy to see why so many major artists have recorded Randy Sharp songs through the years. He manages to combine intelligent lyrics and great melodies with new looks at universal themes -- not an easy task to pull off. But he makes it seem effortless. And, most important of all, his performance of his own material confirms the truism that, no matter how many superstars record a song, no one interprets it better than the guy who wrote it." David Scarlett Country Weekly "One of our generation's most prolific singer-songwriters is back where he belongs - up front and center. Randy Sharp's The Connection has definitely connected with me and will remain in my collection of favorite music for years to come." Donna Hughes MJI Broadcasting "It's hard to avoid being drawn into the world Randy Sharp creates with his music. The Connection is stylistically varied, but each track also shows a different emotional side. It is no wonder that major artists have tapped into Sharp's song catalog when looking to add depth to their own albums." Calvin Gilbert R&R About Country Music Kathy Coleman (click to view)
