

The Practice And Theory Of School Improvement

[DOWNLOAD HERE](#)

The purpose of this volume is to locate school improvement within a theoretical and practical framework, to illustrate the challenges facing school improvement strategies from a policy context, to demonstrate the evolution of a range of school improvement strategies in recent times, and through reports of recent research to challenge the assumptions underlying contemporary school improvement approaches. These concerns are reflected in the four major sections of the book. EAN/ISBN : 9781402044526 Publisher(s): Springer Netherlands Format: ePub/PDF Author(s): Hopkins, David
