

The Tunnels - Michelle Gagnon

The crime scenes are both grim and otherworldly. The bodies of two female students are found mutilated and oddly positioned in the dark labyrinth beneath the schoolhaunting symbols painted on the walls above them. In her decade tracking serial killers, FBI special agent Kelly Jones has seen some of the worst humanity can inflict. Yet the tragedy unfolding at her alma mater chills her to the bone. Evidence suggests that the connection between the victims' daughters of powerful men and the cryptic message behind the killings is rooted in a dark, ancient ritual. As the body count rises, so do the stakes. The killer is taunting Kelly, daring her to follow him down a dangerous path from which only one can emerge.
