

Athenian Democracy - John Thorley

[DOWNLOAD HERE](#)

The fifth century BC witnessed not only the emergence of one of the first democracies, but also the Persian and the Peloponnesian Wars. John Thorley provides a concise analysis of the development and operation of Athenian democracy against this backdrop. Taking into account both primary source material and the work of modern historians, Athenian Democracy examines: * the prelude to democracy * how the democratic system emerged * how this system worked in practice * the efficiency of this system of government * the success of Athenian democracy. Including a useful chronology and bibliography, this second edition has been updated to take into account recent research.
