Drawing artist hobby and art A drawing artist is actually a fine artist who transforms his imagination and thoughts into painting. They make use of different materials and methods to make many forms of drawing. The category of fine artists comprises art workers like illustrators, sculptors, drawing artists and painters who create artwork, which is original and unique. The entire department of minor and major arts is said to be developed in art works of Leon Battista Alberti. They render value to intellectual capabilities of a drawing artist in place of boosting manual capabilities.
