

# Land As A Human Right: A History Of Land Law And Practice In Tanzania - Abdon Rwegasira

[DOWNLOAD HERE](#)

This volume is a comprehensive text on land law in which all the necessary land law principles are highlighted with great precision. Advocate Rwegasira does this with a human rights approach, believing that it is through this approach that a person's right to land, whether individual or collective can best be explained, especially in this era when conflict over land is unabatedly becoming central in family, communal and societal relations.
