**MAKE UP TIPS**

**How To Make Cheap Make Up Work For You**  
Sometimes, a personal budget just won't stretch far enough to buy premium brands of make up. In these circumstances, unless you're willing to go make up free - and who is ever willing to go make up free? - you're going to have to look in to cheap make up. First and foremost, the phrase 'cheap make up' does... (Read more of this article)

**Beware The Make Up Review**  
It is only natural to seek the opinions of others before spending money on a product you have never tried before, and an entire wealth of websites and magazines have been set up to allow users to consult others and garner opinions. In few industries does this apply as strongly as it does in the beauty industry, with literally thousands of magazine inches... (Read more of this article)

**Why Not Give Budget Make Up Brands A Try?**  
Make up can be expensive, that's an unfortunate fact. The most premium brands, offering products that promise to work near miracles in return for your hard earned cash, can be eye watering expensive - the kind of money you'd usually spend on rent. Thankfully, many budget brands of make up also exist, particularly those that are sold... (Read more of this article)

**Three Beauty Uses for Vaseline**  
Vaseline (also known by its chemical properties name, petroleum jelly) is an essential item in any make up bag or purse, thanks to its wealth of uses. Here are three ways you can use Vaseline to enhance your complexion and appearance, without spending a fortune: 1. Eyelash Toggler Apply a light amount of Vaseline to your eyelashes every night before... (Read more of this article)

**All About Mineral Make Up**  
Make up is, like most fashion and beauty products, a constantly changing world where new trends come in every few months. One of the biggest hits of recent years, and dating of beauty editors and make up artists the world over, is mineral make up. Mineral make up is exactly what it says on the tin, make up that is produced from minerals, thus making... (Read more of this article)

**How To 'Balance' Make Up To Create A Flawless Look**  
Although there is no right and wrong way to apply make up in the strictest sense, there are certain 'rules' that most make up artists follow to create that picture perfect look, if you are looking to create a similar look of flawless beauty at home, you don't need to have intense make up training to do it, just some common sense, and...
