Born in Mexico (Zacatecas) and raised in Greeley Co. (G-Town) USA. Music has always been a part of their lives. As kids music was always around, whether it was their pops strumming his guitar, man, at school activities or just them making music on their own it was something that was going to happen no matter what.... King ProductionZ consist of five members. Grand-A, Aztek Pharoh, Baby Boy, Ana-Mosity C-Nile DA-Vincci. The other two members were found by fate. Ana-Mosity and C-Nile happen to be brother and sister. They both in their own way have loved music. Unknowingly both did music without even knowing about each other's passion each one had for the art. C-NileDa Vincci did a lot of Freestyle contests, while Ana-mosity learned to play the violin, bass guitar , turntables , composing New Age music and song writing . The canvas was painted for these two for the first time with King ProductionZ. Here they both come together to make the beauty of music.
