Internationally Known Dave Rich is sing "Classic" Country Music that He Wrote.. You can't get this From RCA or Bear Family, This is Brand New Country Music by Rockabilly "Hall of Fame" RCA-Bear Family Recording Artist "DAVE RICH" 10 MP3 Songs COUNTRY: Traditional Country, POP: Today's Top 40 Details: Country Classic The first four songs of this album were recorded at the Great Roy Orbisons Studio in Nashville, TN. These songs were produced by Billy Strange, Frank Nancy Sinatras Dean Martins Producer. This was Billy Stranges first Country Session since he was a producer of Pop artists. It was a dream of his to do a country album. Later, this session was picked up by Gene Autreys label, Republic Records The first four songs of this album also has the same style of the internationally known CD Aint it Fine with updated sound quality! Some of the famous people who played on this album were the Late and Great Hal Rug on Steel. When we recorded Cheaten Steeling Steel Guitar Man I would try to impersonate steel with my voice and Hal would try to outdo me on the steel! We were trying to make it look like he was steeling all my girlfriends with his Steel Playing and I was trying to get them all back with my voice! The great late Phil Baugh was lead guitar on the first four songs! You can hear his style of playing all through the songs especially on lonely butterfly. Carol Lee Singers were back-up for one of the songs! I got to use my style coined by Eddie Hill, the singer with the steel guitar foot pedal in his voice Twenty years after he coined thatthe style still worked! Track 5,6,7, 8 were recorded at Porter Dollys studio in Nashville, TN. Produced by Louie Ennis! Famous King Records A&R. Three of these four songs were written by Dave on this session. They are For Cryin Out Loud, If this is not Right, Ill be in Love with Wrong, Falling out of Love with You. The famous people on this session were the all time legend guitar player, Leon Rhodes and Legendary Fiddle Player Buddy Spicher. Also one of the great Steel Players of all times, Curley Chalker. Also, the writer of Yakety Sax the Great and Legendary James Spider Rich, my

beloved Brother! One of my all time favorite songs, Healing Hands of Time was written by my friend, Willie Nelson. The song You had the Janie Fricke Back-Up Singers and the one and only Buddy Emmons on the Steel. The late and great Dave Kirby who wrote Anybody Going to San Antone was lead guitar. You was written by Dave Rich and his late Son-in-law Eddie Cooley.
