YOUCANBUYME fuses dance jams and ballads created by handpicked producers including superstar turntablist DJ SWAMP (Beck's DJ from 1996-2000 and contributor to albums by Kid Rock, The Crystal Method Morcheeba), Antony Lee, Prodje Reggie Dozier (Outkast, Shelby Lynne, Justin Timberlake, Kenny Rogers). A teacher turned artist, ellee ven, born Jessica Lazaro Kunin, changed her name and changed her life. Im Spanish, Greek, Russian, German and Italian. It made sense for me to create something all my own since I could no longer cling to any one part of my heritage. The plan has just been to be me, to make art that I love and that might be enjoyed in the future. ellee vens release of her CD/Vinyl series titled PROJECT 11 has allowed this artist to hone in on her own genre she calls groovetonics, DJs control the play list they like a variety of music and so do their listeners. Think about Jay Z releasing a single with Linkin Park, or Tim McGraw and Nelly. Its about great songs, great creative energies collaborating to make something unique. ellee vens remixes have solidified her commitment to DJs for their constant support of her music. ellee ven goes on to say, Thanks to DJs, my vision of remaining open to all genre, has become a reality. People appreciate the power of melody and the ability for songs to translate well in different genres and languages. It just comes down to what sounds good. And ones art is the greatest thing they can give to the planet, I think Building on her

mantra that anyone can make a difference through art, ellee vens annual Give Into The Groove event has enjoyed increased success. I always wanted to do something for others through artistic expression, says ellee ven. Over 1000 people volunteered their time, talents and funds to the event annually. Hot Sauce Records founder ellee ven has managed to create a signature style bringing together veteran producers with up-and-comers. Weve always had merch and fans seem to really like it. We started to have repeat customers because they loved the quality, affordability and comfort of our selections. HOT SAUCE RECORDS INTIMATES will make its debut just in time for Valentines Day. Just like with my music, Im putting a new twist on something familiar. The styles we have are simple, tried and true. Theyve stood the test of time. YOUCANBUYME is ellee vens 5th full length release on independently owned HOT SAUCE RECORDS. Her hope is that you can buy into the lifestyle: the music, the clothing, the belief that you can be what you dream.. HOT SAUCE RECORDS Intimates will also be available on-line and in select retail stores. ellee ven has been featured in Music Connection, Campus Cicle, Billboard and has graced the cover of Unsigned Music Magazine and Saludos Hispanos. elleevens music has charted on international dj charts and radio. ellee vens site (elleeven.com) showcases the range and diversity of her music which she self titled, groovetronics: a mix of electronica, pop and rock. UNSIGNED MUSIC MAGAZINE also nominated ellee ven for 2005 ARTIST OF THE YEAR and her album FUNKY BOHEMIA for ALBUM OF THE YEAR. Totally original. New but familiar. ellee ven.
