A tremendously beautiful voice expressive with awesome range in styles, emotion: Cabaret meets Jazz meets Inspiring. 12 MP3 Songs JAZZ: Jazz Vocals, EASY LISTENING: Cabaret Details: Singing since the age of 3, Georgi Streetman began professionally honing her vocal prowess with 'Big Band' music at 14. With an extensive repertoire, she communicates a joy in the common place, whether singing Broadway, jazz classics, art songs, inspirational material or her own originals. Regarded as a 'singer's singer', Georgi takes delight in coaching speakers and aspiring performers, with her emphasis on the vocal instrument as being the 'unique voice of personhood'. Says Georgi of her self-titled CD, "These songs were all captured from live performances. As a collection, it is intended to inspire and empower you as the listener on your path to understanding. They represent my own spiritual journey: truly, a passage to joy." _____ ** "A spellbound audience held its collective breath through to the very last note of a gorgeous dramatic phrase, finally released in an explosive standing ovation of appreciative cheers and applause for singer Georgi Streetman." --Joel Grenway, Music Critic, New Age Times ** "Something extraordinary happens whenever Georgi Streetman takes the stage. The audience knows by her ease of presence that they are in for a memorable musical experience. What they are NOT prepared for is surprise at the depths to which they are moved in those brief moments of her song." --Daily Republic ** "Members of our congregation often stay for more than one service just to hear her again." --Rev. Brian Anderson, First Church of Religious Science, Vista, CA ** "One of the best singers I have ever worked with." -- D. Brandtman, professional musician, concert pianist, Newport Beach, CA ** "Something about her voice is exhilarating, passionately luminous and calming at the same time. When she sings, somehow you feel that everything's all right with the world." --PlainFolks Review ** "A powerhouse of a performer, Georgi is

a true visionary when it comes to creative performances. She truly understands how to create the mood of choice and effortlessly moves the audience in that direction. Having won the respect of top musicians in our area, she is one of our most requested performers." -Reverend Dr. Christian Sorensen, Seaside Church of Religious Science, Encinitas, CA ** "It's rare to hear a singer with this much passion, control. Somehow there is a spiritual depth that shines through her that changes the mood and uplifts the audience - in the space of one song." -Merle Fischer, OnStage Reviews, San Diego Light ** "Georgi's CD is not so much about the music behind the vocals as it is a stunning testament to the incredible range in repertoire -- a true artist." -Jewel Myers, entertainer, concert pianist, San Diego, CA
