Warm and mature Alternative Rock packing a huge aural punch. Layered with intelligence, emotion and edginess. 12 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: Sophomore CD is in the works!! We're proud to announce that Human's second full length project will be available in the New Year!! We would like to extend our gratitude to those who have purchased our debut album and to CDBaby for exposing our music to an international audience. Thanks a bunch! Their self-titled debut CD, released in February 2002, grabs you and won't let go. The songs encompass a wide range of emotions; from beautiful, wistful calm to writhing energy. After listening, no part of you is left untouched. Experience what it's like to be human. Listen. See. Feel. Try to resist. Here's the history. Short, but oh so sweet. Born in the Spring of 2001, Human has made quite an impact on the Halifax music scene during its brief history. Ever since the first show, the buzz has been spreading. Human, consisting of Roche (vocals/guitar), Geddes (bass/vocals), and Hal (drums), has been playing steadily around Central and Eastern Canada. they have shared the stage with top Canadian Artists such as Three Days Grace, Big Sugar, The Trews and more! To date, the band has accomplished a lot. The 2003 ECMA Rock Band of the Year nod and ROCKING Edgefest are two of the biggest. For more detailed info about the fellas and other stuff visit our site. Big things are happening. Be a part of it.
