

## Mp3 Jim Page And Artis - Folkpunch

[DOWNLOAD HERE](#)

FolkPunch - just like it says - Folk Music with a punch to it. Contemporary and hard hitting street activist music with a raggedy circus edge. Tender and argumentative. Acoustic guitar and vocals - plus the most outrageous spoon percussion on the planet. 15 MP3 Songs FOLK: Political, FOLK: Political Folk Show all album songs: FolkPunch Songs Details: Jim Page and Artis the Spoonman! These two veterans have performed together for years - all over the US, Canada and parts of Europe. This is the first real recording of their work. Thanks to Jack Straw Productions and the encouragement of the many friends and supporters from over all these years - finally! With special guests Mark Ettinger on acoustic bass and Sarah Scott on backing vocals. Tags: folk: political folk
