

Mp3 Jojo Alves - Terra Negra

[DOWNLOAD HERE](#)

African latin world beat sound. 10 MP3 Songs LATIN: Brazilian Jazz, WORLD: World Beat Details: 'Terra Negra' is a world project produced and performed by one man Jojo Alves. Other musicians on the album are George Duke , Paulinho da Costa and Gerald Albright . Born in Portugal, raised in South Africa and currently based in Los Angeles , California, Jojo has the unique musical ability to take the listener on a journey throughout many countries, yet always making them feel "at home" . He's musical influences range across the board, from studying the classical guitar to playing in jazz and rock groups . An accomplished guitarist, singer/songwriter, arranger and producer, Jojo released an album 'Brother Time' in 1996, through Pony Canyon Records of Japan , receiving tremendous airplay on radio throughout Tokyo and Osaka. This project "Terra Negra" is a blend of jazz harmonic overtones with Afro-Latin rhythms mixed with a funky edge with both vocals and instrumentals. With just one listen, you'll be traveling in foreign lands , feeling the pulse of native cultures which are the essence of "World Music"
