Listen in on a worship service in heaven. Taken directly from the text of Rev. 4&5 in Scripture. Great for worship anytime, especially Easter and Christmas. 10 MP3 Songs GOSPEL: Contemporary Gospel, KIDS/FAMILY: Kid Friendly Details: Revelation 4 and 5, is a choral work written and produced by Minnesota Association of Christian Songwriters President, Julie Jacobs. It is an opportunity for improvisational musicians and those who play by ear, to participate in the Church's rich tradition of choral worship. I wrote this musical in hopes that the contemporary Church would be able to experience what it's like to be led in worship by a choir. Revelation 4 and 5 takes its text directly from the New King James version of the Bible and is easy to learn. Even those who do not read music will be able to sing and play it in a few short practices. The scene in the text of Revelation 4 and 5 is a worship service that takes place in heaven. It begins with John, the revelator, being invited to come up here by an angel. While he is in the Spirit, he sees an open door in heaven. Immediately he is in the presence of God in the throne room of heaven. He describes what he sees, the actual throne of God and those that surround it. They are eternally worshipping God. Then he becomes involved in the search for One who is worthy to open the scroll that is in the right hand of God. Finally, after an extensive search in which no one is found worthy to open the scroll, it is discovered that the Lamb who was slain is worthy, because He purchased people for God with His blood. Thus ensues a worship service extolling the worthiness of the Lamb who was slain to receive power, wisdom, glory, honor, strength and blessing. It is truly magnificent. Julie Jacobs is the senior pastor of Frontier Fellowship, St. Paul, MN. She is a graduate of Christ for the Nations in Dallas, Texas, where Revelation 4 & 5 was performed for the first time in 1997. Since then, Julie has helped several Churches perform the musical, usually around the holidays and Easter. The CD for Revelation 4 and 5 was recorded and mixed at Easy Street Studios in Maple Grove, MN, owned by Christian couple

Greg and Darla Hill. The goal is to eventually offer the musical performance of Revelation 4-5 in area Churches. The Complete Enhanced Production package for Revelation 4-5 will include the recorded version, a split track CD, production notes and a video that can be used in Churches with a projection system in conjunction with the performance. It will be available for sale in the near future from Rivertown Christian Ministries International, who is sponsoring the project. Julie says, Thank you for your faithful prayers and giving toward this and other RCMI projects, making it possible to move forward with this anointed worship piece. Also, let us know if your Church would like a copy. You can reach Julie at [Julie@music2glory.com](mailto:Julie@music2glory.com).
