Imagine this..., Prince, The Time and Earth Wind Fire getting together for a midnight jam session in George Benson's basement. The results..., PURE HEAT. Until that happens, KAID/DEEP DOWN is the hottest ticket in town. 8 MP3 Songs URBAN/R&B: Soul, EASY LISTENING: Love Songs Details: Kaid is on a mission. As a songwriter / composer / producer / engineer / programmer / and multi-instrumentalist, he has composed jingles for U.S. Ambassador Carol Mosely Braun and other high profile politicians. He wrote the honorary song for the Myrtle Hall Elementary school which is located in Clarksdale, Mississippi. He has also written, performed or produced on several commercially released recordings (see credits). With the start of his production company, Deep Down Productions, he plans to write and produce music that will live forever. No ID (well known producer who's worked with COMMON and other popular hip hop artists) says that "Kaid is a true professional who is always great to work with. He gives me countless ideas when we record." Charles Colbert (formerly of Rufus and Chaka Khan fame) says that "Kaid knows how to get the job done. Whenever I have to meet a deadline, I know I can count on him for instant results." Leroy Hurst (touring bassist for the Chi-Lites) praised Kaid as "a tremendous talent with unlimited creative potential." Shekspere (talented producer responsible for hits by TLC and Destiny's Child) credited Kaid as being "a talented engineer." This gifted songwriter and producer has one simple formula that has always worked for him. As he sees it, "My sole focus is on what the song needs. Nothing more/Nothing less." This star is ready to shine!
