Take a look at the world with Rose-colored glasses? Have you ever had the desire to do something Great? To take on something that was seemingly impossible, just to prove to yourself that you have what it takes to make it in a world that is constantly telling you to give up! Singer songwriter Miranda Rose, has stepped up to the challenge. The challenge of being heard in this noisy world, by having something worth listening to. Words are powerful and meaningful and they affect us in a variety of different ways. Sometimes positive and uplifting, sometimes negative and painful. Whoever said, "sticks and stones can break my bones, but words will never hurt me" must have been deaf. The truth is that words shape our lives. They shape our moods and sometimes even our destiny. Miranda Rose conveys many messages in her heartfelt and powerful lyrics, but the main message, her motto if you will, is simply, to never ever give up on yourself! If you never quit you will never fail. Songs written not merely from experience but from a belief of what type of life we are all capable of living. Lyrics containing simple truths and life lessons delivered in melodies and harmonies that speak directly to your heart. Don't get me wrong, you're not always going to get a sweet soft whisper of encouragement from Miranda Rose, sometimes you just get the cold hard truth wrapped up in a rock and roll wrapper! Either way, you'll be thankful for the gift. What's wrong with looking at the world through Rose-tinted glasses? Miranda Rose's

view of the world makes it a lot better place to live in. It's a musical journey full of stories and adventures, love, laughter, heartache, and happiness, realizations and dreams. It's not just about her, out there making a name for herself. It's about her desire to make a difference in your life. She chose to do it through music.
