Celtic Gospel 14 MP3 Songs WORLD: Celtic, SPIRITUAL: Instrumental Gospel Show all album songs:

Home for the Holidays Songs Details: Scott Williams 3rd CD, Home for the Holidays focuses on the Christmas season. The hammered dulcimer is a perfect tonal instrument for Christmas, so Christmas music sounds particularly soothing and festive on it. Scott focused on the more historical pieces when recording this album...the Old English, Old French, Old German. These songs come out of the cold, snowy depths of Old Europe.
