Heavyweight UK roots reggae at its best, produced by Germany's earthshaking Dub producer Sir Larsie I

10 MP3 Songs

WORLD: Reggae, ELECTRONIC: Industrial Details: This release showcases the long awaited earthshaking stepper riddim "One Love" featuring 3 crucial vocal cuts by JA's rising singjay Al "Righteous Man" Pancho (Minor7flat5 Records), the up and coming French singjay talent Jah Pearl, and Germany's finest roots songstress Miss Lynx beside 2 heavyweight Dub mixes. Being outernationally introduced by sound systems like e.g. Iration Steppas (UK), and King Shiloh (NL) this riddim already received a brilliant reputation all over! The other riddim being showcased is the heavyweight one drop riddim "Babylon be still" featuring 2 vocal cuts by Phoenix Upliftment's resident singer Junior Kigwa (Deep Root) and the Cologne based Jamaican singjay Ras Pyton. Also included are 2 Dub cuts and a Dub remix by the UK Dub veterans Bush Chemists! This release is also available on vinyl from the Phoenix Upliftment Records online store (store.sirlarsiei.com) at 10. Also available from there are any records being released on Phoenix Upliftment Records (CD Vinyl), over 2000 Roots Reggae and Dub records (CD Vinyl) as well as Sir Larsie I merchandise products such as clothing gear, sound system siren units, pipes, 7" turntable adaptors made out of wood, ringtones of Sir Larsie I riddims for your mobile phone, posters of several well-known rasta artists, stickers, and badges. This is an absolute must for all heavyweight Roots Music fans out there so make sure not to miss this one! Now let Jah music speak for itself and enjoy the heavyweight vibes while listening. Sound systems: Also check our Dubplates section on the Sir Larsie I homepage (sirlarsiei.com/services.php) where you'll find exclusive cuts to both riddims.
