New enhanced release from the award winning Boston singer/songwriter. Conscious lyrics over solid funk-rock/R&B grooves laced with B3, Wah-Wah guitar and chromatic harmonica. Guest appearance by legendary reggae star, grammy nominee, Sister Carol. 10 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Rhythm Blues Details: The Third solo release from Boston based award-winning (Best R&B/Blues 2001, Indie Awards) singer/songwriter/guitarist. Still rooted in a timeless songwriting tradition, Thaddeus delivers nine conscious original cuts in the R&B/Funk-Rock tradition and one funky-reggae remake of the the popular classic Family Affair by Sly Stone. Features an all-star band with a guest appearance on one track by legendary reggae star Sister Carol. The songs are reminiscent of the likes of Bill Withers and Gil-Scott-Heron, laced with Thaddeus'chromatic harmonica adding the early era Stevie vibe. Thaddeus' music has been described by Billboard magazine as "Soul Terra Firma" and he has been pegged as a "guitar virtouso" by the Boston Globe. This enhanced cd contains 3 Quicktime music videos in addition to the 10 audio tracks.
