hip-hop and spoken word and more 12 MP3 Songs SPOKEN WORD: Comedy, HIP-HOP/RAP: Rap
Details: The Big Black African I freestyles my own music through out this CD. I try using all types of different music and to make this CD I also did a little bit of spoken word. and made a Spanish song which I sung everything I know how to said in Spanish. A lot of the songs were inspired by certain films and movies I like. I have a good time me music and want everyone else to tell the good times well. So I hope that nobody takes this CD seriously. I tried to make my music entertaining for all cultures. Once again I freestyle all lyrics and I have fun making the music. I hope you enjoy a my CD and have a great time listening to it.
