False Metal from the western United States 9 MP3 Songs POP: Power Pop, ROCK: Punk Details: One cleans the drains in a Van Nuys asylum. One records vocals via wireless feed from his geodysic dome in Sweden. One sports a cloak of human fur and sweetens her tea with the powdered glands of Uruguayan boys. Their skills are obtuse, their communication confined to the crude domain of grunts, squirts and stain paintings. Will you let them park their soiled tent in your town? Will you enter? Maybe you'll see your girlfriend or wife participate in a messy sacrifice, or maybe your parents passing the cup and donating thousands from your trust fund. Your nightmares are the lifeblood of our erectile tissue. The gypsies are here, the creeps have arrived. Will you ride in the black coach? Three people locked in a tiny closet during a natural disaster, and this is the result: One show featured the loss of a testicle. Another resulted in a Sasquatch sighting. Mass pregnancies immediately followed a short broadcast in Central America. One woman grew hair on her left breast during an all ages show. They are scared outcasts barely evading capture, and they want your kids!
