A meeting of cultures where the Argentinean tango of Astor Piazzola lays as a background, embroidered with jazz and other tones of Quebec. 9 MP3 Songs in this album (42:18) ! Related styles: LATIN: Tango, JAZZ: World Fusion People who are interested in John Abercrombie Astor Piazzolla Tomasz Stako should consider this download. Details: In the immigrant quarters of Buenos Aires, the tango became farewell and memory in the dreams of its inhabitants. Music of districts of ill repute and faraway places, a love ravishes a dance step just before the moons suicide. Tango, song of rivers. Gardel and Piazzola transformed it into a bottle launched out to sea. On its southern-bred staff lived a melody made up of rhythm and dream. One late afternoon, it was discovered on the banks of the Saint-Lawrence River. It stayed there, pulsating from four different instruments. Like a harbour for seemingly endless voyages, Quetango arrives in the 21st century. A voice revealing new and unforeseen sounds and timbres. A music whose destiny is young, in which Qubec City and Buenos Aires discover each other.
