The Affiliate Marketer's Toolkit Stop affliliate marketing the hard way! At Last! You Can Affiliate Market SeamlesslyWithout Irritating Visitors to Your Sites! With the Affiliate Marketers Toolkit, YOU Can Increase Click Rates by as Much as 900! Dear Friend, Let's face it, affiliate marketing sounds easy, but it's actually pretty tough! There's no doubt, it's probably the most difficult thing for any site owner to master. Frankly, affiliate marketing is the only thing about site-building you can't fakeeither the clicks are there, or they're not. And when they're notthe checks are small. Of course, some people will tell you can do fine without using any special affiliate marketing tools. WRONG! Just ask them how much their last Google AdSense check was for, and watch them look down at the ground and mumble some lame excuse. And maybe you've tried other affiliate marketing tools, but found that you practically had to be a brain surgeon to figure it out. Sound at all familiar? But now there's good news! And the good news starts with my own personal bad news. I was like you, struggling to try to make money from affiliate marketing. I spent hundreds of dollars on all sorts of fancy tools to try to spiff up my site so that visitors would click on the links. And then I spent weeks upon weeks of my time trying to use those toolsand none of it worked. In desperation, I called my old roommate, who's a computer science whiz. I told him my requirements: I wanted to be able to "cookie" my site visitors without them knowing about it. This would let me give them direct links to the sites I recommend, which are much more likely to get clicked. And I wanted to get paid for those clicks. I wanted click-friendly links, not ugly ones. Who's going to click on something like:

somewebsite.url/go/a.php?a=12345&p=98765 What I wanted was to turn THAT into THIS: yourdomain.com/GreatDeal And since most people use pop-blockers these days, I wanted un-blockable pop-us. Preferably ones that use the visitor's e-mail client, so I can collect e-mail addresses. It took months, but my buddy finally delivered the goods. And WOW, did he ever! It wasn't just a program. It was the most AWESOME, purely powerful affiliate marketing tool I've ever seeneverything I'd asked for and more! It was so good, I decided to sell it to others. So now you can share the awesome power of The Affiliate Marketers Toolkit This incredible tool is actually 3 tools in one, and they're the quickest and easiest way to affiliate market. Inside this magnificent tool is absolutely everything you need to start increasing your click rate and raking in the big bucks! So just what are the 3 awesome tools you get? 1. Covert Cookie Technology Secretly "cookie" visitors without them knowing about it Give them direct links to the programs YOU recommend These programs are much more likely to get clicked And YOU still get paid! 2. Link Cloaking Technology Creates click-friendly links No more ugly links that look like alpha-numerical garbage! Increases click rates by as much as 900 3. Magic Pop-Up Creator Adds un-blockable pop-ups to your webpages Not typical JavaScript pop-ups like everyone else has Unique code opens the visitor's e-mail client When visitor clicks "Send", you've captured their e-mail! Collects e-mail addresses even if you're marketing someone else's products as an affiliate! As you can see, The Affiliate Marketers Toolkit really is the ultimate affiliate Internet marketer's tool set. Just imagine being able to cookie visitors, get their e-mail addresses, and get them to click much more oftenwithout them getting annoyed and leaving!
