Tornadic super-cells are violent, twisted and unpredictable. Controlling them is impossible. or is it? Doctoral candidate Sarah Gately chases them to find out. But her quiet hometown of Melville Texas is being rocked by a string of unexplained deaths. Is there a connection? She embarks on her own investigation, leveraging the meteorological resources of Provine University, to discover the truth about what's really going on in Melville. In "The Legend Of Evil", Christopher Carter taps the power of human imagination while exploring heart pounding possibilities in this electrifying techno-thriller.
