This script will allow you to set up your own link tracking business! There are two different memberships you can sell with this script, and both are beneficial to you. The lite membership costs less, but requires your customer's to keep a banner to your website on theirs in order to track their stats. The pro membership of course costs more and does not require the customer to link to your site. You can charge whatever you like for either. The script automatically takes payments via the PayPal subscription method so you are insured to receive your fees every month. It also keeps track of your customer's statistics daily, weekly, and monthly. USER PANEL FEATURES Account Management: Add/Delete Site Change Password Get the Code View Stats: Select Time Period between 30 and 365 days Display Total Hits, Total Visitors, Average Visitors Per Day, Total Hits For Last 30 Days Hit Statistics: Daily Visitors Monthly Visitors Total Visitors Browsers Systems Display: Browser Color Depth Java & Javascript Language Operating System Screen Resolution ADMIN PANEL FEATURES Create Account Email Members View/Edit/Delete Members List This Package comes with 8 AMAZING Templates you can use with the Script! It also comes with a special software you can use to edit your scripts with just a click of a button!
